

University of San Carlos
COMPUTER AND INFORMATION SCIENCES COUNCIL

January 12, 2023

Mr. Christian Dave Empinado

Warm greetings!

We are truly honored to have you as our speaker at the **Git/GitHub Workshop!** In relation to this, we would kindly request you to provide us with your personal information or biodata for documentation purposes.

Rest assured that your information will not be disclosed to any third party nor the public and will be used for its intended purpose - documentation to be sent to the **Office of Student Affairs** (OSFA).

Thank you for your cooperation and may the event be a successful one!

Be well and stay safe,

Christian Anthony Stewart
Council Representative, Computer and Information Sciences Council (CISCO)

Noted by:

A handwritten signature in black ink, appearing to read "Wayne Matthew Dayata".
