**NAME AN ASIAN MUSICAL GROUP/ARTIST WHO ROSE TO INTERNATIONAL FAME.**

GOT7

**Which Asian country did he/she come from?**

Members of the group came from South Korea, Thailand, and Taiwan.

**Which countries was he/she famous in?**

This Korean group is well-known globally especially in South-East Asian countries like the Philippines, Thailand, South Korea and even in China. A fan-base is also present in the US.

**How did he/she become famous?**

Typically, bands in Korea are built from intensive training and members are selected at a young age. The group gathered attention for their live performances but also most notably for their debut album in 2014.

**Why did he/she become famous?**

This group is very well known for their liveliness and varying personalities. They also perform a lot of street dancing and martial arts tricks in their live performances. They stand out from other Korean artist groups due to their multicultural appeal. They seem very global for a Korean group. They compose and produce their own songs and choreograph their own dance performances.
